

2025 Youth Pig Project Scholarship

The Wisconsin Pork Association Youth Committee is again offering Youth Pig Project scholarships. These scholarships are designed to assist 4-H and FFA members in establishing swine projects that can lead to development of life skills and career opportunities in the Wisconsin pork industry.

4-H and FFA youth are eligible to apply for a \$100 scholarship used to offset costs associated with their 2025 pig project. Our goal is to raise enough funds to award a minimum of 50 scholarships. Scholarships will be divided into three age divisions, as of January 1st, 2025, including: Ages 9-12, 13-15, and 16-19.

Criteria:

Youth who are selected to receive a WPA Youth Pig Project Scholarship will be asked to participate in a 30-minute educational webinar to receive their \$100 scholarship check. Those who do not participate will not receive their scholarship. The Wisconsin Pork Association is committed to youth development and feels that offering resources like these will help further educate youth about swine production and other opportunities within the industry. Webinar dates will be announced at a later date.

Several Wisconsin show pig producers and supporters have generously helped to sponsor the Youth Pig Project Scholarships for 2025. If you are looking for a producer to purchase your show animals from, please consider reaching out to the sponsors and breeders listed on our website at www.wppa.org/youth/sales.

2025 Youth Pig Project Scholarship Application

Name: _____ Age (as of January 1, 2025): _____

Address: _____

City: _____ State: _____ Zip: _____
